

# How to make your chatterbox

1. Cut along the dashed lines
2. Place the coloured side face down on a table.
3. Fold the corners back into the middle.
4. Turn the page over and repeat. Fold all the corners back into the middle.
5. Make the final creases by folding the square in half. Then open the outside feelings.
6. Use your chatterbox by placing your thumbs and index finger into the coloured holes.
7. To play, ask someone to pick a feeling. Then move the chatterbox back and forth to spell out the letters of their feeling.
8. Now ask them to pick a number. Move the chatterbox and count out their number. You can repeat this one more time. Count out their number again.
9. Ask them to pick their last number and read out the request under it.
10. Take turns and ask more people to join in.
